defence of the civil Sunday.

the aid of law?"

even that the encroachment pretends to be for the public convenience-that the benevolent citizen proposes to build a drink-fountain in front of his shop, for instance; so long as the encroachment is 7.01 AM 7.31 AM made without law, against law, and in successful defiance of the law 9.33 AM. 6.50 PM 7.40 PM 6.55 PM

DR. BACON'S SPEECH AT NORWICH. I was glad to see last week your fact is the "illiberal" people, the "fanatics" and the "narrow- England village, sacred from the bring there great gain and strength, if minded" are those who are trying play alike, where the sacred graves of other generations wake tender thoughts and holy memories, and amongst them the church of Christ invites to prayer and praise to break down the institution. D Leonard W. Bacon puts it well when he says at Norwich, the Sunday contest is between law and laws lessness. His speech is admirable

"And points with taper spire to Heaven." as full of sense as it is full of "spire The whole people want it. Every- with its memories and record. If it, no 'inflammatory harangue,' It is bright, cheery, incisive, strong and spoken with the accent of conviction. Those who have not if there is to be no law about it, blessing, since with an houest and car.

The whole people want it. Every with its memories and record. If the body is willing to respect it, on Republican party were really inspired by the purpose it pretends to have, namely, to protect the negro, whom it freed—its existence would still be a success and a blessing, since with an houest and car.

The whole people want it. Every with its memories and record. If the body is willing to respect it, on Republican party were really inspired by the purpose it pretends to have, namely, to protect the negro, whom it freed—its existence would still be a success and a blessing, since with an houest and car.

The whole people want it. Every with its memories and record. If the body is willing to respect it, on Republican party were really inspired by the purpose it pretends to have, namely, to protect the negro, whom it freed—its existence would still be a success and a blessing of the condition that everybody else shall to protect the negro, whom it freed—its existence would still be a success and a blessing of the condition that everybody else shall to protect the negro, whom it freed—its elign 0 id, sliver and Paper Money bought and old. Sliver and Paper Money bought and old cloth, per value of the purpose it pretends to have, namely, the purpose it pretends to have, namely, and the purpose it pretends to have, namely, an read it, will be glad to read the sum of the argument as he gives it, and those who have read it, will be glad to read every word of this lege will get the best advantage summary again:

In one who have not it there is to be no law about it, blessing, since with an housest and carried the public are to be left open to a slways be able to protect every American citizen wherever the flug fluts. But it has no such purpose. It uses the bloody shirt only as a step to office, and bloody shirt only as a step to office, and once there laughs at it. During the last summary again:

There is to be no law about it, blessing, since with an housest and carried the slways be able to protect every American citizen wherever the flug fluts. But it has no such purpose. It uses the bloody shirt only as a step to office, and once there laughs at it. During the last summary again: "What, then, is the inexpressible value to the public of these law

which are now defied? This That they guarantee to the whole community that which could not exist without them—a public day cal politics, the late Horace Gree- Shylock and Lamar. of rest. If this should be lost, the ley, in one of his letters from Eucommunity in all its classes, but rope, that we in America are shut most of all in its poorer classes, but most of all in its poorer classes, will lament it with long, perhaps with unavailing regret. But if these laws are successfully defied and so broken down, your day of rest is lost; for it is only by virtue of these laws that the day of these laws that the day of weeks, whatever you may do or not do, the decision will have been made.

Before the matter is irrevocably settled by your action or your insection. I could wish you might.

Beat no drums.

Yazzo'ng.

The Houston, (Ying.) Patriot, a South is now before you, citizens; and in a few more weeks, whatever you may do or not do, the decision will have been made.

Before the matter is irrevocably settled by your action or your insection. I could wish you might.

Beat no drums.

desire. Every man, woman and action I could wish you might child wants it, and would feel per stand with me an hour on Sunday sonally aggrieved and injured if it morning in the "labor market" at should be taken away. And the Geneva, and see the troops of dull way in which this universal desired tired, sodden looking laborers, in is secured to all is by means of a their ragged blouses, unwashed law on the statute-book which from the grime and sweat of one (however it may be neglected or week's work, trudging off sluggishevaded in some cases) stands on ly and wearily, "like dumb, driven the statute-book in full vigor, and cattle," to the work of the next is ready to be enforced when the week. Are these slaves? you ask. case requires, and is actually en Slaves? Bless you, no, my dear forced whenever a single citizen man! These are freemen. These however humble and however sont are voters and citizens in a land of tary, demands the enforcement of universal suffrage, under the freest it as his right and insists upon his government on earth, with an addemand, as I do insist to-night. vanced and liberal constitution of But I am ready to meet the obthe latest French invention and jection which some of you have with all the modern improvements. at your tongue's end to put: No "Blue Laws" here. They had man who is intimate on short acquain"What is the need of law to secure blue laws once in Geneva (though tance, because ite is almost sure to be what everybody wants? Hevery they never did in Connecticut);

body wants it, will it not come of but they have laughed them down itself? Will not the unanimous long ago. This which you see is long ago. This which you see is liberty complete, untrammeled liberty complete, untrammeled liberty. Every one of these free Ladies are like watches—pretty enough encroachments of business be a citizens has a right, a proud, invio-sufficient security for this, without lable right, to work on Sunday, if he chooses. And this it what it late" after they are set a going. I answer: Yes. Just so much ends in for him; and this is where When the office seeks the men the peoas the unanimous desire of the proit will end for you, if you choose ple must help him get it. When the ED, ladies own materials made up, perty owners on Main street would, to make the costly experiment. man seeks the office it is not necessary for N. B.—Straw Hats Altered and Pressed, without law, preserve the line of The workingman who MAY work on the people to have much to say about the street from encroachments. Sunday, when work is wanted, has

Just so much and no more. It is the general interest of the whole property and every part of it, one both sides of the way, that the width of that street should not be reduced. You could get a remonstrance signed by every person in the city that could hold a pen against permitting owners of frontrage on that street to build out on age on that street to build out on age on that street to build out on age on that street to build out on a sunday, when work is wanted, has got to work on Sunday. For the Student fresh from college to conductor: "I wish to get on the pennitimate car." Conductor—"We have no peannt car." Conductor—"We have no pean

ANGLO-SAXON.

The Phrenological Journal and Science of Health, for October is out. First only by the force of law that the object of the manimous desire can be secured—a law ready to be enforced, actually enforced on demand, and that cannot be defied. There may be furtive and casually insolent and more or or occurrent of the law will not lose its force thereby nor the rights of the public be impaired. But let there be one man or one corporation sufficiently strong, rich, influential of votes, and sufficiently insolent and unserving to the law. These districts are the public in the original of the strong rich, influential of votes, and sufficiently insolent and unserving to the law. These districts of the public be impaired. But let there be one man or one corporation sufficiently strong, rich, influential of votes, and sufficiently insolent and unserving to the law. These districts are the public be impaired. But let there be one man or one corporation sufficiently strong, rich, influential of votes, and sufficiently insolent and unserving to the law. The sufficiently insolent and unserving to the law. The sufficiently insolent and unserving the public be impaired. But let there be one man or one corporation sufficiently strong, rich, influential of votes, and sufficiently insolent and unserving to the literature nowadays current with regard to the functions of the condition of the functions of the definition of the functions of the definition of the definition of the functions of the functions of the functions of the functions of the crowd called out: "Whit about the circular possible and the capture of candor, the marity of his constituents. A man in the crowd called out: "Whit about the circular possible and the capture of candor, the marity of his constituents.
